Sub-Zero to open showroom at Mart

Refrigerator maker Sub-Zero Inc. plans to open a 5,500-square-foot showroom in the Merchandise Mart's LuxeHome section. Scheduled to open this fall, the boutique would be the first for an appliance maker in LuxeHome, a 100,000-square-foot design center on the building's first floor, according to a news release from property owner Merchandise Mart Properties Inc., a unit of New York-based Vornado Realty Trust. With about 30 boutiques featuring kitchen and bath products, LuxeHome is nearly 100% leased, says a Merchandise Mart spokeswoman.
